

myfamily

This is Techla

The new instant engraving system from Silca MyFamily products that makes ID tags customization easier, more intuitive and faster

Techla

- User friendly, high precision, instant automatic engraving system
- Rewarding customer experience: Tag is an act of love for your pet
- Intuitive, customers can engrave their tag by themselves
- 24 languages plus ideograms and logos
- LCD touch screen, no need for a stylus pen or keyboard
- Compact 13 kg machine that can fit inside the display or on the counter
- Integrated Wifi, ethernet and USB for updates and technical assistance
- 120° diamond tip for high precision engraving, good for more than 20.000 engravings
- Barcode reader sets up the machine automatically.

Techla Revolving Display 55

Maximise impact in store

Make your customer live a unique experience: with Techla they will be able to customize their MyFamily ID tag directly in your shop

- 55 hooks to show many different Silca MyFamily ID tag designs
- A dedicated space for the Techla engraving machine
- A crowner to increase visibility inside the store
- 360° rotation system that allows you to comfortably view all sides of the display
- Compact and visible making it easy to find the perfect position in store
- Produced in Italy

Dimensions:
Ø 50 cm x H: 187 cm
55 Hooks

Revolving Display 40

The pet-sized display

Space-saving practicality

- 40 hooks to show many different Silca MyFamily ID tag designs
- A crowner to increase visibility inside the store
- 360° rotation system that allows you to comfortably view all sides of the display
- Strong and durable in high quality MDF wood
- Compact and visible making it easy to find the perfect position in store
- Produced in Italy

Desk Display

- Up to 6 ID tags
- Italian design in MDF wood and aluminum
- Compact size, ideal for the counter top
